

# Better Together: Now Micro and HP Solutions

## It's Time to Elevate Your Business, Because Now Matters

### Introduction

If you're struggling to simplify IT management in order to support hybrid learning or meet the needs of citizens in today's ever-evolving education or government landscape, Now Micro and HP are here to help.

Now Micro and HP work closely together to bring you a suite of industry-leading, cutting-edge solutions designed to drive your students, schools, and government communities into the future. But the partnership goes beyond the technology itself — Now Micro's mission is to drive innovation and empower your digital journey.

Here's why organizations are turning to Now Micro for their HP needs:

- **Enhanced security:** With HP Wolf Security, Now Micro prioritizes security of your digital assets, providing peace of mind in an increasingly complex threat landscape.
- **Seamless integration:** Now Micro can help you seamlessly integrate HP's industry-leading solutions into your existing infrastructure, ensuring a smooth transition and maximum efficiency.
- **Empowering hybrid work and blended learning:** Now Micro provides HP solutions such as laptops and workstations that empower your school and workforce to thrive, whether they're in person, on the go, or working/learning remotely.
- **Customer-centric approach:** Now Micro will work closely with you to understand your unique challenges and tailor HP solutions that address your specific requirements.

### Now Micro and HP Solutions

As a customer-focused, forward-thinking company, Now Micro helps streamline technology experiences with innovative HP solutions focused on ease of use and service. With values like adaptability, innovation, integrity, and teamwork, you can sleep better at night knowing that Now Micro can help you make the best technology choice for your school or municipal institution.

At Now Micro, we thrive on the importance of today, guided by our core philosophy that "Because Now Matters." Our commitment is centered on providing tailored and off-the-shelf solutions encompassing hardware, software, and services.

### Gain effortless HP device lifecycle management:

**Procure:** Now Micro works as your advocate to equip your organization with the technology you need, at the right price.

**Image:** Now Micro's automated, highly scalable imaging services prepare your new devices exactly as you need them.

**Deploy:** Now Micro offers customizable deployment services that help tackle time and space obstacles.

**Manage:** Now Micro simplifies IT asset management with increased visibility through a single pane of glass.

**Retire:** Now Micro ensures effective environmental control, making it a sustainable choice.

### Check out a few ways Now Micro can help simplify IT:

- Device sourcing, deployment, and refresh projects
- Security improvement
- Device management
- Servers
- Asset tagging

Pair Now Micro with HP, and you get unmatched experience, maturity, performance, reliability, and security that you can depend on to support IT processes, activities, and initiatives for any educational institution or state/local government agency.

While Now Micro is known as an expert at delivering the best hardware at the right price, we go beyond hardware with tailored software and services support. By making technology simple, Now Micro and HP can help maximize productivity and minimize disruption.

### **Empowering School Districts and Governments With HP Notebooks & Chromebooks**

Designed to enhance productivity and collaboration with portability in mind, HP Notebooks and HP Chromebooks from Now Micro can address the following pain points that school districts and state and local governments often share:

- Budget constraints
- Limited time and/or resources
- Keeping pace with technological advancements
- Security concerns
- Infrastructure maintenance
- Data management and privacy

HP Notebooks and HP Chromebooks, equipped with robust security features like WP Wolf Security, can be tailored to different organizational or educational needs. This scalability allows organizations to easily expand their IT infrastructure as they grow, without compromising on performance, cost, or reliability.

### **Conclusion**

By partnering with HP, Now Micro can help you stay ahead of the curve and future-proof your IT infrastructure, enabling school districts as well as state and local governments to adapt to emerging technologies and trends in the digital landscape.
